

MCMS Booster Club Information

The MCMS Booster Club is a group of concerned parents who are determined to bring sports back to our children's school. Our vision for the future is that.....

"Every student attending Marengo Community Middle School has the opportunity to learn discipline, teamwork and the achievement of goals through extra-curricular activities"

In order to fulfill our vision we need your support. To support your MCMS Booster Club we ask you become a member. If you can volunteer for various activities please let us know, but just because you may not be able to volunteer your time doesn't mean you shouldn't share the vision and support the effort.

Our Mission:

The MCMS Booster Club exists for the purpose of supporting MCMS extra-curricular, inter-school athletic programs, including cheerleading, through the involvement of parents, families and the school. The Club works to achieve this through:

- Raising funds to assist all extra-curricular athletic programs. The Club members may support programs through revenue producing activities. The Club committees may support each coach's program by providing workers for operation of concession stands, selling of advertisements, tickets, donations and other fund-raising events as established by the Board of Directors.
- The active participation of parents, families, and members of the community.
- Promoting and encouraging young men and women to get involved in the athletic programs, either as active participants or as volunteers.

Monthly Meetings:

We hold our monthly meetings the second Tuesday of each month at the MCMS Library at 6:00pm. Everyone is invited!
