Within ten (10) days of the meeting, the teacher and the Association shall be provided with the Superintendent's or the designee's written response.
- 8.3.3 STEP III - If the Association is not satisfied with the disposition of the grievance at STEP II, the Association may submit the grievance to final binding arbitration through the American Arbitration Association, which shall act as the administrator of the proceeding. If a demand for arbitration is not received by the American Arbitration Association within thirty (30) days of the date for STEP II answer, then the grievance shall be deemed withdrawn. The arbitrator shall have no power to alter the terms of this agreement. Any individual teacher or group of teachers may present grievances to the Superintendent and have them adjusted provided the adjustment is not inconsistent with the terms of this agreement and provided the Association has been given the opportunity to be present at such meetings.
- 8.6 The Board will provide to the Association information necessary to process a grievance when the information is not reasonably available to the Association otherwise.

- 8.7 No reprisals shall be taken by the Board or the administration against any employee because of the teacher's participation in a grievance.
- 8.8 No grievance hearing will be held during school hours except by mutual agreement of the parties. Should the grievance hearing require that an employee or an Association representative be released from their regular assignment, the employee and/or Association representative shall be released for above mentioned reason without loss of pay or benefits.
- 8.9 All records related to a grievance shall be filed separately from the personnel file of the teacher.
- 8.10 A grievance may be withdrawn at any level without establishing precedent. If withdrawn, the grievance shall be treated as though never having been filed, although the written record shall be retained in a file other than the personnel file.
- 8.11 If no written decision has been rendered within the time limits indicated by a step, then the grievance may be processed to the next step.
- 8.12 By mutual agreement, the Expedited Arbitration Rules of the American Arbitration Association shall be used instead of the Voluntary Labor Arbitration Rules.
- 8.13 The fees and the expenses of the arbitrator shall be shared equally by the parties.
- 8.14 If only one party requests the postponement or cancellation of an arbitration hearing, that party shall bear the cost of such postponement.

9.1 SALARY SCHEDULES

- 9.1.1 Regular salary schedules, incorporated as part of this contract, are affixed hereto as Appendix I.

Per precedent, SEDOM employees who become regular employees of the District may be transferred in whole on seniority schedules and will retain the SEDOM salary, any changes in compensation and/or benefit will be negotiated by MAEA and said employee will become members of the MAEA and pay any and all associated dues.

The District reserves the right to consider and offer "Fair Market Value" compensation which is not on the salary schedule in special education positions such as Speech Therapists and Psychologists where a market shortage exists.

- 9.1.2 The District, at its discretion, will provide a program of extracurricular activities to supplement the educational program. In-district teachers who apply for extracurricular positions and meet qualifications established for the position shall be considered prior to outside applicants. The compensation schedules for extra stipend pay, incorporated as part of this contract are affixed hereto as Appendix II. The Superintendent shall have posted in each building and shall send the Association president a notice of all vacancies. Such notice shall contain the necessary information relative to the vacant position, (starting date, salary range, etc.). During the summer, vacancy notices shall be emailed to each teacher at their district email address or home email address as reported on the year-end check out list. Notices shall be posted in the offices and faculty rooms of all buildings.
- 9.1.3 Pursuant to the Contribution Rate Schedule of the State of Illinois Teachers' Retirement System, the BOARD shall deduct and remit for each TEACHER the sum equal to the TEACHER'S salary times the required Member TRS retirement contribution rate for that year times the TEACHER'S salary to be applied for the retirement account of such TEACHER (rather than the survivors' annuity account) and the sum equal to the TEACHER'S salary times the required Member THIS (insurance) contribution for that year times the TEACHER'S salary for the insurance contribution rate for the Teachers Retirement System Insurance Plan. In addition, the BOARD will deduct the Member TRS retirement contribution rate from any payments made as required by TRS rules pursuant to Article XIII and XIV to be applied to the retirement account of such TEACHER and the Member THIS (insurance) contribution rate for the Insurance contribution to the Teachers' Retirement Insurance Plan. It is the intent of the parties by this AGREEMENT to qualify these payments under Section 414(h) of the Internal Revenue Code. The TEACHER'S have no right or claim to the fund so remitted except as they may subsequently become available upon retirement or resignation from the State of Illinois Teacher's Retirement System.

9.2 INSURANCE AND BENEFITS

- 9.2.1 The Board will continue to contribute 100% of the individual policy rate per month for District endorsed comprehensive major medical insurance plan. The Board will continue to contribute \$1,500 annually to the family premium and \$500 annually to the spouse or child(ren) premium. The Board will continue to pursue cost effective options. The benefits and coverage shall not be less than the prior school year coverage and shall be for a full twelve (12) month period.

Teachers may choose to participate in any alternative Board offered major medical plan, but the employee will be responsible for any premium fees above the District endorsed plan.

- 9.2.2 The Board shall provide, to all employees that are a minimum of .8 FTE, without cost to the employee, term life insurance in the amount of \$25,000.00. The policy shall include an additional \$25,000 indemnity provision for accidental death. Per mandates in the policy insurance level benefits decline starting at age 65.
- 9.2.3 The Board shall provide disability insurance at the prior year level which is 66 2/3% of **base** salary. The disability insurance as provided by the Board will coordinate benefits with any and all other disability payments an employee is entitled to under state, federal, or TRS rules.
- 9.2.4 During the terms of this amendment, the Board shall provide the option of allowing first year retiree's to participate in the district approved health insurance plan or the Teacher Retirement System's health insurance premium at no cost to the retiring teacher. This option is for a period of one year following the effective date of retirement typically September 1 through August 31. **Employees that are eligible for Medicare must enroll in Medicare as their primary insurance in order to continue participation in the district plan.**
- 9.2.5 An Insurance Committee consisting of MAEA members, administration and Board of Education members will continue to investigate cost effective options. Any specific and direct cost savings from these efforts may be considered for reallocation of premium payments to the district employees.

However, while the Board of Education commits to evaluate such reallocations, any final Board of Education decision depends on the balance of these potential savings versus the realities of the entire District 165 budget.

- 9.2.6 It is the responsibility of the employee to notify District Office upon a covered dependent's 26th birthday.

9.3 PAYROLL RULES

9.3.1 The annual salary shall be divided into twenty-four (24) equal installments, less such deductions required by law, contract, or initiated by the employee. The equal installments shall be deposited to the employee's account of choice, electronically on the 10th and 26th of the month. Employees will review check pay stub via Employee Access. If these dates fall on a weekend or holiday, the payment will be deposited the last work day prior to the holiday or weekend.

9.3.2 The Board of Education authorizes voluntary payroll deductions for certain purposes when requested by employees and approved by the Board. All docks must be completed by the last payroll in May and may not be spread-out for more than 8 pay periods.

An employee may authorize a payroll deduction providing for funds to pay the premium of a tax-sheltered annuity, professional dues, insurance premiums for family membership in the group health plan, credit union direct deposits and life insurance premiums.

9.3.3 Any dues, payments, or contributions payable by the employee labor professional organization will be deducted only upon receipt of a signed authorization by the individual employee. This must be done by September 15.

9.3.4 In the event that the District is served with a specially certified Order of Withholding and a Notice of Delinquency, the District is required to withhold payment of income for the support of a child or maintenance of a spouse from an employee under the following acts:

The Illinois Public Aid Code; the Illinois Marriage and Dissolution of Marriage Act; Non-Support of Spouse and Children Act; the Revised Uniform Reciprocal Enforcement of Support Act; the Paternity Act.

The District may deduct a one-dollar service fee each pay period from the employee's income when support or maintenance funds are withheld or the statutory fee, whichever is more.

9.3.5 Regular pay statement normally due on the 10th or 26th of a month will be paid on the last workday prior to these dates if they fall on a weekend or holiday.

9.3.6 Duty and Coaching Stipends are paid on the first payroll in December and the first payroll in June. **Time cards for extra duty are to be turned in within two weeks of the date of the duty.**

9.3.7 Mileage and other reimbursements are paid after formal approval of the Board of Education. (4th Tuesday of the month).

9.4 Voluntary in-house substitution shall be compensated at the rate of one-fifth (1/5) of the current substitute rate. The in-house substitution rate will only apply for a teacher who is subbing during a scheduled planning time or has taken an additional class in addition to their own. This shall apply to instructional classes only. Every effort will be made to obtain a substitute for each classroom or specialist teacher as needed. Internal substitutions will only occur in an emergency situation.

9.5 Teachers shall be compensated for the use of their automobiles for school business which has been authorized by the Superintendent. The mileage rate shall be set by the IRS Guidelines.

9.6 SALARY SCHEDULE CREDIT

- 9.6.1 Credits earned shall be usable to meet the requirements for a degree in education or directly applicable to field in which the teacher is teaching.
- 9.6.2 Special courses for which remuneration is sought are subject to the approval of the Superintendent and/or the Board.
- 9.6.3 Teachers must have hours in an approved college graduate program **or in a program leading to an additional endorsement on the Professional Educator License (PEL)** to gain credit for work above BA+9 hours. Coursework eligible for reimbursement includes graduate courses related to the subject matter being taught by the teacher or designed for improvement of classroom instruction, or any course required as part of an approved master's degree program, **additional endorsement on PEL**, or higher. Subject to approval by the Superintendent, a teacher may gain credit for up to nine (9) hours above the BA without being enrolled in a master's degree program.

Tuition reimbursement will be at the actual cost of the course, up to the current campus rate per semester hour for a Master's Degree, based upon the Main Campus rate for Northern Illinois University plus \$50.00. Hours beyond the Master's Degree may also be reimbursed by the District up to current campus rate per semester hour for a Master's Degree for Northern Illinois for courses that lead to an additional approval on Educator's License, second Master's Degree or Doctorate, but not to exceed 6 semester hours per school year. The Superintendent's decision in this regard is final on undergraduate courses and graduate courses not related to the subject matter being taught by the teacher or designed for improvement of classroom instruction.

Lane changes at semester intervals will be allowed in September and February. Lane changes will be allowed on September 1 if, prior to August 31, the teacher provides the District with the grade transcript or original university grade report. If the documentation provided is a grade report, the teacher shall provide the District with an official transcript by November 1. A February lane change will occur only on the completion of a Masters. For all part-time employees the tuition reimbursement will be reimbursed half of the given rate.

- 9.6.4 In order for teachers to gain credit on the salary schedule for college work above a master's degree, the teacher must take college approved courses, subject to approval by the Superintendent.
- 9.6.5 Non-College credit professional growth incentive for teachers at or above a Master's Degree.

Non-graduate coursework beyond the Master's level may be reimbursed and used for salary advancement if the teacher has received prior written approval of the Superintendent based on his/her determination that such coursework will benefit the teacher's assignment or the District. Any teacher seeking such approval shall submit to the Superintendent a statement of the reasons why the course in question ought to be considered for approval. No more than the equivalent of three (3) credits can be applied towards lane movement. Evidence of completion of workshop must be submitted to the District Office within 12 months of the date of the workshop. No employee may receive CPDU credit for lane movement if the workshop was taken on a regularly scheduled work day. The Superintendent's decision in this regard is final and non-grievable.

Formal education referred to above could earn credit on the number of hours the class would meet as follows:

- Class hours from 5 to 11 = 0.5 semester credit
- Class hours from 12 to 18 = 1.0 semester credit
- Class hours from 19 to 25 = 1.5 semester credit
- Class hours from 26 to 32 = 2.0 semester credit
- Class hours from 33 to 39 = 2.5 semester credit
- Class hours from 40 to 46 = 3.0 semester credit

9.6.6 New hires to the district will not be reimbursed for classes for the first two years that they work in the district. After the completion of the second year, a teacher may be reimbursed up to \$1,000.00 per year until all reimbursements are paid for classes taken during the previous approved two years. These reimbursements will start 30 days after the beginning of the third year of employment. Teachers must always have classes pre-approved, even in the first two years of employment.

An exception to this would occur if directed by the Superintendent to take additional coursework for the purpose of achieving an additional endorsement on the PEL. Tuition reimbursement would follow 9.6.3

9.6.7 In evaluating prior teaching experience, full credit shall be given for the first five (5) years and one-half (1/2) credit for experience beyond five (5) years. Maximum years of experience allowable shall be ten (10).

9.6.8 Full credit shall be given for military service if the person was teaching when entering service, or had previous teaching experience. One-half (1/2) credit for military service shall be given if the person had no previous teaching experience, provided the person had, or was eligible to receive a teacher's certificate prior to entering service. In either case, the above shall be counted as experience outside the system.

9.6.9 Teachers will be given credit on the salary schedule in accordance to their prior teaching experience. This credit will be prorated to account for partial year experience. The provisions of Section 9.6.7 above also apply.

9.6.10 The longevity bonus that will be applied for those individuals (and only those individuals) who are not presently eligible for further movement downward on the salary schedule due to "bottoming Out" at MA+45. The individual longevity bonus will be calculated at a rate equal to:

Longevity bonus will be paid on the first payroll in October and the last payroll in May.
