Generally, in a 180-day school term, an employee expected to work three hours a day (540 hours a year) would not participate in IMRF. An employee working four hours each day (740 hours a year) would participate.

If an employee works in more than one position for one school district, the hours of all his or her positions are combined in applying this 600-hour standard. An employee working for two school districts must meet the 600-hour standard for each district. Part time employees who meet the 600 hour IMRF standard are accorded the IMRF standard for sick leave: 10 Days/Year.

10.2 Vacation

After one (1) year of continuous employment, year-round employees shall be eligible for a vacation on the following basis:

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Maximum Vacation</u>
<u>From:</u>	<u>To:</u>	<u>Leave Earned Per Year</u>
Beginning of year 2	End of year 5	10 Days per year
Beginning of year 6	End of year 15	15 Days per year
Beginning of year 16	End of year	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year. Employees resigning or whose employment is terminated are entitled to monetary equivalent of all earned vacation.

Employees that were hired previous to July 1 will receive 5 days of vacation on July 1.

Employees that work less than a full year and then become full 260 day employees will receive additional service credit for vacation purposes as follows:

For the first year of 12 month employment five days of vacation will be provided on July 1. Beginning years 2 through 5, employees will earn 10 vacation days per year.

After the 5th year of working a 260 day position, a "look-back period" consisting of all previous part time years will determine additional length of employment. Credit will be based on the actual number of days worked within a given year and will be rounded to half year increments. All current employees will have their year of service adjusted per above.
