

Tax districts use money to provide services to citizens.

Home, commercial, & farm properties form the tax base to fund local governments and services.

Property value is assessed by elected township assessors.

County Clerk receives levy request from tax districts and creates the tax rates.

The Treasurer/Collector prepares annual tax bills based on values from the Assessment office and rates from the County Clerk office.

Tax payers receive the tax bill.

The Treasurer/Collector collects and distributes tax money to the tax districts.
